

“
We vow to impart sound education in order to impact the lives of our people positively. There is no doubt about this and we are destined to win because we have history on our side.

From day one, we have been determined to mould young minds to be creative and to be creators of work and wealth. This is a mission we set ourselves to achieve and we shall not disengage until this sacred cause has been met and achieved.

“

Hon. Prof. David R. Namwandi
Founder & Council Chair
